

## Silverwood Park

[st. anthony, mn]

Owner: Three Rivers Park District

Architect: Miller Dunwiddie Architecture

Description: New construction, 18,000 SF. Includes paved trails winding through the woods, a picnic area, a new visitor's center, a 260-seat main hall, and an outdoor amphitheater for up to 1,000 people to enjoy performances of dance, theater and music.

The project includes a geothermal heating and cooling system, smart lighting and the use of recycled materials for the roof and is part of the State of Minnesota's Buildings, Benchmarks & Beyond (B3) Project for sustainability.
