

White Bear Lake Public Works

[white bear lake, mn]

Owner: City of White Bear Lake

Architect: Oertel Architects

Description: New construction, 54,000 SF. Includes a new public works salt / sand building, an outdoor materials storage area, a fuel island, rain gardens and natural screening elements.

Planning for the new facility has attempted to incorporate as many "green" features as practical: a green roof over the office area, geothermal heating and cooling, passive solar and possible photovoltaic cells, and energy efficient lighting with motion sensors.
