

Cambria Suites

[bloomington, mn]

Owner: The Summit Group

Architect: Stahl Construction and Architectural Works Villard

Description: New construction, 99,000 SF, 113 rooms. This was the first of Choice Hotels' new Cambria Suites design to be developed in Minnesota. The building features a more stylish, contemporary atmosphere for business travelers and families alike with a large, dramatic glass-walled signature tower containing the two-story lobby and upgraded guest rooms. Interiors use warm neutral colors, bold jewel accents, natural materials, and soft, subtle textures. Finalist for the **MCA Project Achievement Award**.

Stahl acted as the design builder for this project delivering a turn-key product upon completion; including coordination of all FF&E.
