

Sears - Mall of America

[bloomington, mn]

Owner: Sears Roebuck & Company

Architect: RSP Architects

Description: New construction, 180,000 SF. Constructed shell portion of the three story store at the Mall of America. During construction the design was altered, moving the escalators closer to the entrance.

Also built two of the longest sky-ways at the Mall of America, almost 100-feet each, connecting Sears to the East parking ramp.
