Wold Architects

DETAILS

Construction of the Prairieview Middle school began in September 2020 and was completed in August of 2022 for the 2022/2023 school year. The middle school includes a gymnasium with a storm shelter along with extensive industrial arts spaces and modern flexible learning spaces. Prairieview MS has spaces dedicated to special education programs, science labs, Family and Consumer Science (FACS) to help faculty support middle school students in preparation to begin their journey towards becoming independent, productive citizens.
