

Request for Subcontractor Statement of Qualifications

March 13, 2023

Stahl Construction is looking to prequalify subcontractors and material suppliers (“Subcontractors”) interested in bidding on this construction management at-risk (CMAR) project. Any Subcontractor, to be considered for prequalification, must fill out and submit a Statement of Qualifications to our office by the date and time specified below. Prequalification criteria will include a company’s experience, capability to perform, capacity to perform (personnel, financial, and otherwise), capability to insure and bond, safety record, and compliance with state and federal laws.

If you would like a Statement of Qualifications, please email Donna Foster dfoster@stahlconstruction.com or log onto stahlconstruction.com. Click “Document Center” in the upper right-hand corner.

Please email the completed Statement of Qualifications to Donna Foster at the above email, mail it, or deliver it to our office by the due date.

Under state of Iowa bidding laws, on a CMAR project, only bids submitted by prequalified subcontractors can be accepted on bid day.
